## CONCERT ESSENTIALS

### **Concert Start times:**

- Preschool / Junior Concert – Saturday 8 November at 1.30pm
- Senior Concert – Saturday 8 November at 4.30pm

**Location:** Riverlife Baptist Church at Seventeen Mile Rocks (**Note: different than venue 2024!**)

### **Stage rehearsal:**

- Junior and Senior concert: rehearsal will take place on Saturday 8 November.
- Preschool dancers: rehearsal will take place after drop off and before the concert starts.

**Please see schedule below for class specific times**

Students in the preschool / junior concert will be remaining at the theatre from the time they are dropped off until after the performance, so if you could pack food, some snacks and a water bottle that would be fantastic (please do not pack anything with nuts due to dietary requirements for students, and no sugary drinks in case of spillages around costumes)! Students can bring a book if they like to read, coloring in and games will be available for backstage activities. Note: The students in the senior concert will have a drop off / pick up time for the rehearsal and a drop off time for the concert.

The Students can be picked up after the concert from the stage area, which we will remind everyone of in the lead up to the concert and on the performance day. There will be a short intermission during the first concert where the preschool dancers can be collected from stage to join their parents and watch the remainder of the concert.

### **Please label ALL of your child's belongings.**

All preschool and junior concert dancers will be receiving 3 labels with your child's details printed on them during the week before the concert. Please place one on your child and one on their bag prior to drop off. The last label is for yourself so that we can link you with your child upon pickup.

**DROP OFF:** THERE WILL BE SIGNAGE AT THE CHURCH WHERE TO SIGN YOUR CHILD IN.

**PICK UP:** From the stage area – each class will be asked to come onto stage to be collected by the parent or guardian with the label.

A reminder that ONLY staff and senior assistant teachers will be allowed backstage due to child protection and safety reasons. There will be an adult and senior student assisting with each of the groups and we will have your contact details readily available in case of emergency.

NO PARENTS will be allowed past the sign in desk, so we ask for your patience and to please respect this as our staff will be working hard on the day to ensure the safety and health of your family. We understand that this might be a first concert for some of you, and we want to assure you that each student is well looked after and monitored throughout the duration of their time backstage.
